Skinny Magic™

Energy and Appetite Control

Eat Less... Weigh Less

Energize Your Day ... And Control Your Appetite!

Skinny Magic™ dietary supplement is a synergistic blend of ingredients including Dark Cocoa, Phenylethylamine, Natural Caffeine and Geranium Flower, plus key support minerals. One or two capsules will kick you into gear and turn-off your hunger Switch!

LACK OF ENERGY A MAJOR COMPLAINT OF AMERICANS!

Many Americans, saddled by high-stress jobs, too much information, inadequate nutrition and not enough time, are seeking help to energize their lives. When visiting a health food store for the first time, their common complaint is that they feel listless, tired and come seeking a natural solution to add vitality to their day.

Adding Carbohydrates or Sugar

When fatigue is experienced, many sufferers go for carbohydrates or sugar to give them an energy boost. The consumption of a high caloric snack will provide temporary benefit, but the long term result is roller-coaster energy levels and weight gain.

Exercise

Regular exercise will over time invigorate the body. However, getting started is THE challenge for most today. The comment "I do not have the energy to exercise" prevents most from ever getting started.

The Complete Benefit

With Skinny Magic™ you will be energized throughout the day and with reduced appetite, eat less. The combination of increased energy and activity as well as reduced caloric intake leads to successful weight loss! Achieve your goal with Skinny Magic™!

SUGGESTED USE: As a dietary supplement, adults 1 capsule with a full glass of water, once or twice per day mid morning and/or mid afternoon – **at least 2 hours after a meal, on an empty stomach.** Do not take too late in the day as sleep may be impaired. Results are noticed after 60 - 90 minutes. Do not take more than 4 capsules per day.
